

The mission of Citizen Corps is to harness the power of every individual through education, training, and volunteer service to make communities safer, stronger, and better prepared to respond to the threats of terrorism, crime, public health issues, and disasters of all kinds.

The Montana Citizen Corps in conjunction with the Office of Military Affairs and DES ask Montana Citizens to embrace personal responsibility to be prepared by:

1. getting training in first aid and emergency skills
2. volunteering in your local community
3. supporting local emergency responders and others in disaster relief and community safety
4. making sure you and your family is prepared for an emergency
